

Pharmacy prior authorization tip sheet

We continually look for ways to share information with you to help your patients who are UnitedHealthcare Community Plan members live healthier lives.

Our records indicate some of our plan members were unable to get prescribed medication(s) or there was a delay in getting the information we needed to approve the medication. Please review the following tips and resources to:

- Help your patients get prescribed medications when prior authorization is required
- Reduce administrative work for you

Tips and resources

Pennsylvania UnitedHealthcare Community Plan Statewide Preferred Drug List

All Community Managed Care Organizations in Pennsylvania must follow the Pennsylvania Statewide Preferred Drug List (SPDL). Please review the SPDL at papdl.com prior to ordering medications to determine if the medication will be covered.

PreCheck MyScript

Integrated directly within your EMR, PreCheck MyScript® allows you to easily run a pharmacy trial claim and get real-time prescription coverage for your UnitedHealthcare patients. For more information, go to UHCprovider.com/pcms.

CoverMyMeds

Streamline the prior authorization process at covermymeds.com, a medication prior authorization portal that electronically connects providers, pharmacists and health plans to improve time-to-therapy and decrease prescription abandonment.
