**Q. How can a member enroll in a Dual Special Needs Plan?**

**A.** Prospective members can explore their options by visiting [UHCCommunityPlan.com/DC](https://UHCCommunityPlan.com/DC) or speaking to a licensed sales agent. In addition to individuals enrolling during the Annual Enrollment Period, Oct. 15–Dec. 7, plan members may enroll, disenroll or switch plans once per calendar quarter during the first 9 months of the year by following the Centers for Medicare & Medicaid Services (CMS) regulatory requirements.

**Care provider reimbursement**

**Q. How will I be reimbursed for the UHC Dual Choice DC-Q001 (PPO D-SNP) plan?**

**A.** We will reimburse you according to your existing Medicare Advantage contracted rates, for eligible and covered services, up to the defined benefit value. As the primary payer, we're responsible for the management and payment of the Medicare-covered and supplemental services.

Health care professionals may not attempt to collect additional reimbursement from D-SNP members whose Medicaid benefits cover all Medicare cost-sharing components. These members are not responsible for Medicare cost sharing under CMS regulations. Medicare cost sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

**Q. As a health care professional, do I need to be enrolled in Medicaid to receive the remaining reimbursement?**

**A.** At a minimum, you are required to enroll or register with the state Medicaid plan for Medicare secondary cost share billing purposes. Depending on the service and covered benefit level, many D-SNP health care professionals will be required to submit a secondary claim to Medicaid. If there is a deductible, copayment or coinsurance, that amount is the responsibility of the Medicaid payer to cover. This will depend on the member's Medicaid eligibility levels. This may require registering for a care provider Medicaid ID number for reimbursement. If you decide not to enroll or re-enroll with the state Medicaid program, you'll give up your ability to seek the secondary payer reimbursement for a dually eligible member.
