Overview

After hours or weekend care (CPT®) codes represent services provided when an individual physician or other health care professional is required to render the services outside of regular posted office hours to treat a patient's urgent illness or condition.

Reimbursement Guidelines

The Centers for Medicare and Medicaid Services (CMS) considers reimbursement for Current Procedural Terminology (CPT®) codes 99050, 99051, 99053, 99056, 99058 and 99060 to be bundled into payment for other services provided on the same day.

CPT Codes 99053, 99056, 99058 or 99060

Consistent with CMS, UnitedHealthcare will not separately reimburse CPT codes 99053, 99056, 99058 or 99060.

CPT Codes 99050 and 99051

Although CMS considers CPT codes 99050 and 99051 to be bundled into the payment for other services provided on the same day, UnitedHealthcare Community Plan will provide additional compensation to participating primary care providers for seeing patients in situations that would otherwise require more costly urgent care or emergency room

settings by reimbursing CPT code 99050 in addition to basic services and CPT code 99051 in addition to acute care services (not preventive medicine codes).

UnitedHealthcare Community Plan will reimburse after hours CPT code 99050 and 99051 to participating primary care providers when reported in one of the following CMS non-facility place of service (POS) designations only:

- School (CMS POS 03)
- Indian Health Service Free-standing Facility (CMS POS 5)
